- To receive your mail order discount, simply access the link from your welcome registration email from your mobile device or computer. Select your prescription to transfer or refill after your registration by selecting the "My Medication" tab in the member portal. Use the search bar to locate the desired medication, complete the required fields and receive an email confirmation once the order has been received. All orders take 3-5 business days to process, send and receive your prescription in a private unmarked box.
- To receive your urgent care prescriptions, simply access the link from your welcome registration email from your mobile device or computer. Select your prescription to fill after your registration by selecting the "My Medication" tab in the member portal for location and pricing. Capture the membership card displayed and present your membership card to the pharmacist at the time of service to receive your prescription.
- Questions? Speak to a GetMoreRx Acute agent by calling **(833) 426-3449**. Customer care email **customer care@revive.health**. Pharmacy assistance, call **888-770-4009**.
- Patients are limited in drugs, quantities and supply in accordance with applicable use. Individual Patients have a \$250/year maximum benefit.

# Accessing Medications to Treat Acute Illness Has Never Been Easier!

**GetMoreRx Acute** allows members to access some of the most commonly prescribed acute care medications, including amoxicillin, azithromycin, prednisone, ibuprofen, hydroxyzine and more, at no cost to members through their local pharmacy. Members also have access to Insulin Lispro, \$5 per vial for up to two vials every 90 days, and one **FREE** albuterol inhaler per year.

These medications address the most common illnesses seen by primary and urgent care providers and can treat a variety of conditions, including acne, allergies, body aches, coughs, earaches, hives, itchy eyes, nausea, skin infections, strep throat, sinus infections, rashes, urinary tract infections and upper respiratory infections. With the GetMoreRx Acute membership, members have peace of mind for those urgent needs to get them back on track.

## Urgent Rx

# Prescription drugs at a fraction of the cost.

We know how expensive prescriptions can be. That's why we created GetMoreRx. With **GetMoreRx**, members can save between 10% to 45% on most brand name drugs and 50% to 95% on most generic drugs at more than 56,000 participating pharmacies nationwide, including CVS Pharmacy, Target, Walgreens, Walmart, Kroger, Albertsons, Fry's, Harris Teeter, Duane Reade, Longs Drugs and their respective subsidiaries.

**GetMoreRx** offers an innovative, easy-to-use pricing tool that allows members to search and review prescription information based on specified form, dosage and quantity. Members can also compare prices with the price transparency lookup tool.
