

DIALCARE[®]

DIALCARE PSYCHIATRY

DialCare[®]

PSYCHIATRY

With DialCare Psychiatry, members receive top behavioral health services, from psychiatric evaluations to ongoing medication management.

- **Holistic:** A range of services from evaluations to follow-up visits and medication management.
- **Targeted:** Behavioral health risk assessments and stratification models enable tailored care.
- **Accessible:** While today behavioral health care is difficult to access for so many, here it is available and affordable.

A consult fee of \$XX.XX applies to all consults.

Key features include:

- **Psychiatry Consults** - Psychiatry and behavioral health medication management.
- **Health Risk Assessment** - Behavioral health-focused risk assessment.
- **Risk Stratification** - Analytics to identify those most at risk of behavioral health challenges to proactively engage and treat.
- **Electronic Prescription Ordering** - Prescriptions are immediately sent to the member's preferred pharmacy for easy pickup.

Disclaimer: DialCare Psychiatry Program is available to members 14 or older. The program does not prescribe DEA-scheduled controlled substances. **THIS PLAN IS NOT INSURANCE and is not intended to replace health insurance.** State restrictions list is available at dialcare.com/states.
