

DIALCARE

VIRTUAL VET

Does your pet have a situation that you're not sure warrants an emergency room visit? Are you a new or seasoned pet owner seeking answers to questions regarding your animal's health and well-being?

Don't worry, you're in the right place and we're here to help!

With DialCare Virtual Vet, an animal expert is always in! DialCare Virtual Vet grants you immediate access to licensed veterinary professionals via video chat or phone calls for advice and guidance 24 hours a day every day of the year. Access as often as you need for pet questions or concerns you may have. Your pet is always there for you, and now, a licensed, qualified veterinary professional is always there for your pet.

Please Be Advised: Virtual Vet does not provide formal diagnoses or prescriptions for your pet. Our licensed veterinary professionals inform, advise and guide you on the next best steps to take for the health and well-being of your dogs and cats.

THIS PLAN IS NOT INSURANCE and is not intended to replace health insurance.

When to use DialCare Virtual Vet:

- When you're unsure if your pet's situation is urgent
- When you have questions about their quality of life
- When you need general guidance
- When you need a virtual visit about an ongoing illness or diagnosis

DialCare Virtual Vet's licensed veterinary professionals can advise on the following and so much more:

- General questions and preventive medicine
- Emergencies and how to respond (Day Practice vs ER Visit)
